A MESSAGE FROM OUR FOUNDERS

Born in Naples, Florida, in 1995, Skillet's Restaurants seeks to provide our guests with delicious food and attentive, friendly service.

Our extensive menu hopefully includes your favorite choices, while encouraging you to discover something new.

We welcome you to dine in our clean, traditional, pine-accented dining rooms, or utilize our carry-out, delivery, or catering services.

Our commitment to high quality demands that every dish is prepared from scratch. Pancakes, waffles, crepes, biscuits, scones, syrups, sauces, and our signature buttermilk shredded potatoes are Skillet's in-house creations we take pride in.

These outstanding offerings incorporate only the best ingredients --AA large fresh eggs, thick-cut Smokehouse bacon, locally sourced dairy, only fresh produce and fruits, and top-of-the-line deli meats.

Our rich, mellow coffee is a proprietary blend of medium-roasted Guatemalan whole beans that's ground fresh per brew. Treat yourself to Kennesaw's freshly squeezed orange juice, served in a frozen mug.

Skillet's staff is committed to pleasant, knowledgeable guest service. We endeavor to fulfill special requests whenever possible.

Join us at one of our many convenient locations throughout Southwest and South Florida and savor the Skillet's difference.
